

Service Solutions

Modernfold's distribution network provides the best factory-trained, certified technicians prepared to service your movable walls. Let us help you:

- Repair any operable or accordion wall,
- Maintain suspension systems,
- Recover or replace finishes,
- Renovate or retrofit your space.

Emergency Service

Modernfold distributors are prepared to repair operable partitions 24/7. Let us put your mind at ease if problems occur.

Maintenance Plans

Schedule annual checks ups with your Modernfold distributor. Let us train your staff for proper care and maintenance too.

Retrofit Systems

Modernfold distributors are skilled in repairing or modernizing any space division product, regardless of manufacturer.

Visit Modernfold.com to find your local Representative or call 1-800-869-9685.
