OPERABLE PARTITIONS

Options and Accessories
Enhance your Modernfold partitions by adding standard or customized options and accessories. They provide solutions that can improve the safety, functionality, and security of your facility as well as add to its aesthetic appeal. Modernfold understands every project is unique and demands individualized attention to design, product selection, and service. From customary school rooms or church auditoriums to lavish hotel ballrooms—from basic sight separation and sound attenuation to the highest quality acoustical separation—Modernfold has solutions for the design and functional needs of your facility. Modernfold has options and accessories to meet all your space division requirements.
• Window cutouts
• Moldings
• Spinner panel walls
• Barn door sliders
• Telescoping sliders
• Sloped floors or risers
