

## Maintenance Mechanic

Modernfold is the industry leader in the moveable wall concept. Where others only see space, Modernfold sees possibilities for our operable wall partitions and architecturally-striking glass wall systems. We strive to add highly qualified employees to our team to help us advance the success of our customers. And, **we are excited about the potential of you joining our amazing team in Dyersville!**

As a Maintenance Mechanic you will:

- Provide emergency/unscheduled repairs of production equipment during production and perform scheduled maintenance repairs of production equipment during machine service.
- Perform simple machinist, welding, and die maker duties and responsibilities.
- Perform mechanic skills including, but not limited to, mechanical, electrical, pneumatic, hydraulic, HVAC, troubleshooting and repair of production machines.
- Read and interpret equipment manuals, work orders, blueprints, wiring diagrams and simple sketches to perform required maintenance, service and fabrication.
- Diagnose problems, replace or repair parts, test and make adjustments.
- Perform regular preventive maintenance on machines, equipment and plant facilities to include in-depth cleaning and waste disposal.
- Perform a variety of plumbing maintenance and carpentry functions.
- Use a variety of hand and power tools, electric meters and material handline equipment in performing duties.
- Detect faulty operations, defective material and report those and any unusual situations to proper supervision.
- Comply with safety regulations and maintain clean and orderly work areas.
- Operate and navigate computer systems.

Wages up to \$25.50/hr + \$1.50 shift premium.

Excellent benefits package including medical, dental, vision, pension and vacation.

\$2,500 sign-on bonus over a two-year period.
